Product Structure

Operating Instructions

WARNING!

DO NOT touch the grill plate right after use to avoid scalding as the surface of the grill plate will still be hot!

This product is not intended for use by children unless they are supervised by a person responsible for their safety!

Place the main unit on a level surface and adjust the turn knob to “OFF”, then place a clean grill plate onto the base.

Connect power cord to wall socket. Ensure your household power supply complies with the requirements as indicated on the faceplate of the product.

Rotate the turn knob to adjust to your preferred heating power. Halogen heating element starts working, and grill plate will heat up.

The product is ready to cook after pre-heating for around 5 minutes. During the cooking process, user may adjust the heating power anytime, by rotating the turn knob.

Turn the knob to “OFF” after using. The fan will work to dissipate residual heat. DO NOT unplug until the fan stops completely.

Cleaning & Maintenance

WARNING!

Before cleaning or maintenance, unplug the product from the power source, and make sure it has completely cooled down before commencing.

Remove grill plate from the main body and clean with warm water. DO NOT use abrasive materials in order to avoid damaging the non-stick coating.

Pull out the grease reservoir, empty out the grease and wash with detergent. Use only moist cloth to wipe the main body, do not use abrasive materials so as to avoid scratching the surface. Afterwards, wipe with clean dry cloth.

Wipe the main body and grill plate with warm soft cloth. For stubborn stains, wipe with neutral cleansing agent, then use soft warm cloth to wipe off residual stain.

Do not immerse machine in water or rinse it under tap.

Clean the product regularly to avoid malfunction.

Cotton swabs may be used to clean the air inlet and outlet vents to avoid dirt accumulating. To clean off grease, use soft toothbrush moistened with non-abrasive cleansing agent to gently brush the vents.

When the product is not in use, please store in a dry and ventilated place.
